

# Why Military Veterans make great truck drivers

**160,000**

projected driver shortage of by 2030

**18+ million**

military veterans living in the U.S.

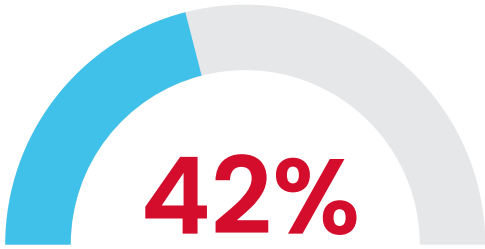

**7%**

of the population in the U.S.

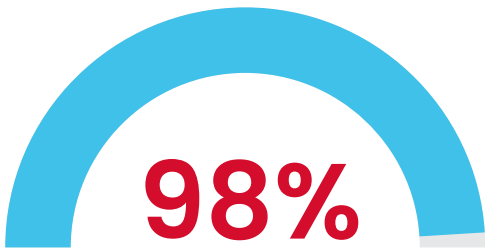

**1 in 4**

veterans are truck drivers

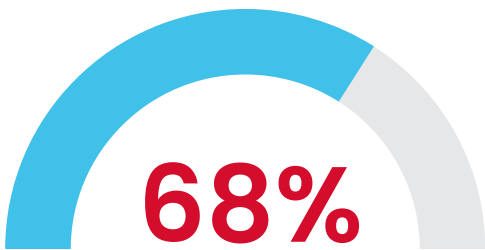

## VETERANS HAVE BEEN SHOWN TO:

have **fewer** accidents

**drive more** miles than non-veteran drivers

have **fewer** 'involuntary terminations'

## All in all, veterans make great truck drivers.

Centerline is seeking veterans who have recently obtained their Class A Commercial Driver's License.

Through our VA-registered Veteran Apprenticeship Program, you can put your newly obtained skills to work as a Military Apprentice Truck Driver.
